About Bizmatrix:

BIZMATRIX provides Nationally Recognized Training delivered by highly qualified and experienced trainers from the gas service industry.

Pre-requisites: This course is open to those who have completed the Certificate III in Gas Fitting, or in progress with a Restricted Gas Licence.

Upon successfully completion of units: The Post Gas Work Licence interim units as offered by BIZMATRIX are designed to enable participants who successfully complete the *Certificate III in Gas Fitting* and have held an interim gas license, to apply for their open first year Gas Work Licence.

Course outline: This course further develops comprehensive skills and knowledge of the Commercial/Domestic Gas Industry. Successful participants will receive a Statement of Attainment which together with other relevant criteria, will enable them to make an application to the Queensland gas regulating authorities for an initial 12 month open Gas Work Licence in Queensland.

Attendees will gain valuable knowledge about correct and safe working procedures for Type A commercial/ domestic gas appliances, gas and electrical servicing, general safety and risk control processes, commissioning, repairs, program service and maintenance from the basics, to correct servicing techniques of more complex equipment and how to safety check and leak check equipment, plus many other benefits.

Extra skills: Participants completing the CPCPGS4022A Service type A gas appliances should consider completing the basic electrical competency units or consider a restricted electrical course. This unit contains a high degree of electrical theories and practices to be completed by the participant.

Should you require further information please do not hesitate contacting: Darrel Vecchio on 0411 884 901

We look forward in seeing you at the training.

Regards,

Darrel Vecchio
